

Guarantee

If you purchase an ANCC Institute seminar, study group, or online course and you don't pass your ANCC board certification exam the first time, we'll give you an additional ANCC review product, free!*

*This guarantee applies to ANCC review products and ANCC board certification exams only. Online courses, review seminars, and study groups are included in this guarantee. If a review seminar is chosen, the registration fee is waived—travel expenses are not included. If a review and resources manual is chosen, the cost of the book is waived—continuing nursing education contact hour fees are not included. Contact livesemr@ana.org.

The American Nurses Credentialing Center (ANCC), a subsidiary of the American Nurses Association (ANA), provides individuals and organizations throughout the nursing profession with the resources they need to achieve practice excellence. ANCC's internationally renowned credentialing programs certify nurses in specialty practice areas; recognize healthcare organizations for promoting safe, positive work environments through the Magnet Recognition Program® and the Pathway to Excellence® Program; and accredit providers of continuing nursing education. In addition, ANCC's Institute for Credentialing Innovation® provides leading-edge information and education services and products to support its core credentialing programs.
