Continuing nursing education when you need it, how you want it.

American Nurses Credentialing Center produces a selection of continuing nursing education opportunities to fit your learning style, location, and schedule.

The American Nurses Credentialing Center’s (ANCC) internationally renowned credentialing programs certify nurses in specialty practice areas, recognize healthcare organizations for nursing excellence through the Magnet Recognition Program®, and accredit providers and approvers of continuing nursing education. In addition, ANCC offers an array of informational and educational services and products to support its core credentialing programs.

ANCC is passionate about helping nurses on their Journey to Nursing Excellence.

American Nurses Credentialing Center (ANCC) is a subsidiary of the American Nurses Association (ANA).

ANA is accredited as a provider of continuing nursing education by ANCC’s Commission on Accreditation.

ANA is approved as a provider by the California Board of Registered Nursing, Provider number 6178.
On-Line Courses

Our Narrated On-Line Courses contain the same slides as our popular Review Seminars, with the voice-over of an instructor talking the student through the material. After you register for the course, you will have three months in which to complete the materials. Participants receive contact hours.

ANCC National Magnet Conference™

ANCC’s National Magnet Conference is the one stop shop for the latest research and best practices utilized by Magnet institutions. Educational tracks are available for those on the Journey, Magnet-recognized institutions, nursing and administrative executives, researchers, and staff nurses.

Upcoming Conferences:
- October 15-17, 2008 in Salt Lake City, UT
- October 1-3, 2009 in Louisville, KY
- October 13-15, 2010 in Phoenix, AZ

Conference information, schedule, and registration at:
www.nursecredentialing.org/magnet/confredirect.html

ANCC National Magnet Conference™ On-Line Continuing Nursing Education

View education sessions from past National Magnet Conferences and receive CNE contact hours.

Information and registration at:
www.nursecredentialing.org/magnet/confredirect.html

Magnet™ Workshops

ANCC’s official Magnet Workshops are available monthly and are co-hosted by Magnet-recognized organizations across the country.

Participants learn to:
- Recognize the changes required to make the Magnet journey
- Recognize sources of evidence for each of the 14 Forces of Magnetism
- Explain evidence-based practice models
- Describe strategies for development of a program of nursing research
- Understand the relationship of evidence-based practice, research, and nursing sensitive indicators
- Differentiate various models for peer review
- Explain strategies to improve service to customers
- Develop journey time lines, explain processes, and create a plan for sharing information with facility, staff, and the community

Workshop information, schedule, and registration at:
www.nursecredentialing.org/magnet/workshops.html
