About the Authors	.1115

NOTE ABOUT THIS TWO-VOLUME SET

Thank you for purchasing the *Family Nurse Practitioner Review Manual*, *4th Edition*. Please note that this book is printed in two volumes; one volume alone does not contain information covering the entire test content outline for this exam. You will need to purchase both volumes in order to be eligible to obtain the continuing education for this manual.

Please visit www.nursecredentialing.org/Publications.aspx for complete information on ANCC review manuals. You can contact revmanuals@ana.org with any questions.
