**TEST-TAKING TECHNIQUES
WEB COURSE**

The American Nurses Credentialing Center (ANCC), a subsidiary of the American Nurses Association (ANA), provides individuals and organizations throughout the nursing profession with the resources they need to achieve practice excellence. ANCC's internationally renowned credentialing programs certify nurses in specialty practice areas; recognize healthcare organizations for promoting safe, positive work environments through the Magnet Recognition Program® and the Pathway to Excellence® Program; and accredit providers of continuing nursing education. In addition, ANCC's Institute for Credentialing Innovation® provides leading-edge information and education services and products to support its core credentialing programs.

The ANCC Magnet Recognition®, ANCC National Magnet Conference®, Institute for Credentialing Innovation®, Magnet®, Magnet Recognition Program®, and the Pathway to Excellence® Program names and logos are registered trademarks of the American Nurses Credentialing Center. Journey to Magnet Excellence™ is a trademark of the American Nurses Credentialing Center. All rights reserved.

The American Nurses Association Center for Continuing Education and Professional Development is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

ANA is approved by the California Board of Registered Nursing, Provider Number 6178.

Test-Taking Techniques Web Course

Simple, Affordable,
and Convenient

Has it been a while since you
took a standardized test?

Are you anxious about taking an
exam on a computer?

Never fear—we're here to help!

What Material Does the Web Course Include?

The Web course is based on the same content as the popular *Test-Taking Techniques Review and Resource Manual*. This material has helped hundreds of nurses improve their test-taking skills by offering

- >> Ways to prepare for the exam—mentally, physically, and academically;
- >> More than a dozen critical test-taking skills that can help ease your experience;
- >> **50 Practice Questions** related to the nursing field, that articulate what test-taking skills best aid you in answering the question properly; and
- >> A new online format that provides the ability to answer practice questions over and over again, with real-time input on your answers.

What Does It Cost? Only \$18!

What Technical Capabilities Do I Need?

All you need is an e-mail address and access to the Internet. Even those with dial-up access will be able to take full advantage of this course.

When Can I Take This Course?

The Web-based course will be available for **3 months** from the month you enroll.

How Do I Access the Course?

Simply click on the enrollment link:
www.nursecredentialing.org/cert/webcourses.html.

You will be asked to register and submit your credit card information. You will receive a confirmation e-mail that will give you log-in information and a direct link to the Web course.

NOTE: You will use the log-in and password that you create during the purchase process to log in to the course. You may access all materials anytime through the Web.
